

Solar home light(4W)

Data parameter: SK-SHL004-024

- 1.Solar Panel: 4W/5V Poly Solar Panel
- 2.Light source: LED 1W*3pcs
- 3.Material: ABS
- 4.Battery: 3.7V/4400mAh Li Battery
- 5.Lighting time : 6 hours working after full charge for 3 lamps
- 6.Overcharge and over discharge protection
- 7.Rechargeable by solar
- 8.Other functions: Mobile phone charge function.

Service life & Accessories:

3-5 years Solar Panel With 5m cable, 3pcs Led Lights with 3m cable, mobile connect cable and 10 connect tips (Nokia6101, Nokia 8210,MICRO USB, USB, Samsung D800,Samsung G600, Sony EricSson K750, MOTO,V3, LG-KG90, Iphone)

Function:

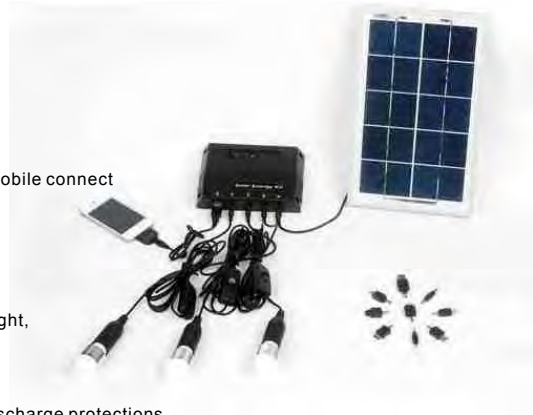

Multifunction,used for DC output,and charge for mobile charger,LED light, etc.small household application.

Solar rechargeable Other functions: mobile phone charge function

Battery: rechargeable Li battery

Lighting time: 6-hour working after fully charge with overcharge and discharge protections

Approved by CE, Rohs

Solar home light(6W)

Data parameter: SK-SHL006-024

Data parameter:

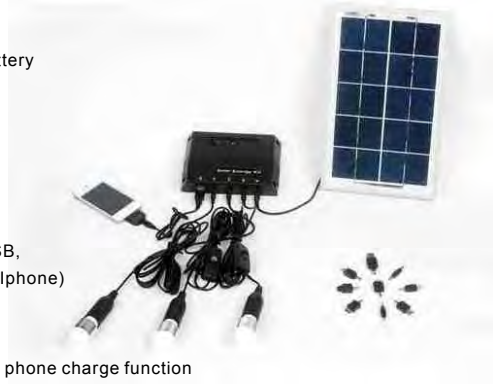

- 1.Solar Panel: 6W/5V Poly Solar Panel
- 2.Light source: LED 2W*3pcs
- 3.Material: ABS
- 4.Battery: 3.7V/8800mAH Li Battery
- 5.Lighting time : 8 hours working after full charge for 3 lamps.
- 6.Overcharge and over discharge protection
- 7.Rechargeable by solar
- 8.Other functions: Mobile phone charge function.

Service life & Accessories:

3-5 years Solar Panel With 5m cable, 3pcs Led Lights with 3m cable, mobile connect cable and 10 connect tips (Nokia 6101, Nokia 8210,MICRO USB, USB, Samsung D800,Samsung G600, Sony Ericsson K750, MOTO V3, LG-KG90, Iphone)

Function:

- Multifunction,used for DC output,and charge for mobile charger,LED light ,etc.small household application.Solar rechargeable Other functions: mobile phone charge function
- Battery: rechargeable Li battery
- Lighting time: 8-hour working after fully charge With overcharge and discharge protections
- Approved by CE, Rohs

Solar home light(10W)

Data parameter: SK-SHL010-024

1. Solar panel: 10W/18V with 5M cable
2. Battery: Lead-acid battery, 12V/5Ah
3. Lamp: 3*3W LED lamp with 5M cable
4. 12VDC output*7pcs,5V DC output*2
5. Charging time: 8~10hrs
6. Working time: more than 5hrs for 3 lamps

Service life & Accessories

3-5years Solar Panel With 10M cable, 3pcs Led Lights with 5m cable, mobile connect cable and 10 connect tips (Nokia 6101, Nokia 8210, MICRO USB, USB, Samsung D800, Samsung G600, Sony Ericsson K750, MOTO, V3, LG-KG90, Iphone)

Function:

- 10W solar system, it can power 3pcs 3W LED lamp for more than 5 hrs
- Used for camping, outdoors activities, and traveling
- Good, fashionable and romantic for your cabin, boat and any kinds of camping/traveling
- Household power system can support ,lighting, radio, recorder, fan, mobile phone
- With battery charging indicator
- Overcharge and discharge protections
- Approved by CE, Rohs

Solar home light(20W)

Data parameter: SK-SHL020-024

1. Solar panel: 20W/18V with 5M cable
2. Battery: Lead-acid battery, 12V/9Ah.
3. Lamp: 3*3W LED lamp with 5m cable
4. 12VDC output*7pcs,5V DC output*2pcs
5. Charging time: 8~10hrs
6. Working time: more than 9hrs for 3 lamps

Service life & Accessories

3-5 years Solar Panel With 10M cable, 3pcs Led Lights with 5m cable, mobile connect cable and 10 connect tips (Nokia6101, Nokia 8210, MICRO USB, USB, Samsung D800, Samsung G600, Sony Ericsson K750, MOTO, V3, LG-KG90, Iphone)

Function:

- 20W Solar System, it can power 3pcs 3W LED lamp for more than 9 hrs
- Used for camping, outdoors activities, and traveling
- Good, fashionable and romantic for your, cabin, boat and any kinds of camping/traveling
- Household power system can support ,lighting, radio, recorder, fan, mobile phone
- With battery charging indicator
- Overcharge and discharge protections
- Approved by CE, Rohs

Solar home light(30W)

Data parameter: SK-SHL030-024

1. solar panel: 30W/18V with 5M cable
2. Battery: Acid-lead battery, 12V/12Ah
3. Lamp: 3*3W LED lamp with 5m cable
4. 12VDC output*7pcs,5V DC output*2
5. Charging time: 8~10hrs
6. Working time: more than 12hrs for 3 lamps

Service life & Accessories

3-5 years Solar Panel With 10M cable, 3pcs Led Lights with 5M cable, mobile connect cable and 10 connect tips (Nokia6101, Nokia 8210, MICRO USB, USB, Samsung D800, Samsung G600, Sony Ericsson K750, MOTO, V3, LG-KG90, Iphone)

Function:

- 30W solar system, it can power 3pcs 3WLED lamp for more than 12 hrs
- Used for camping, outdoors activities, and traveling
- Good, fashionable and romantic for your cabin, boat and any kinds of camping/traveling
- Household power system can support ,lighting, radio, recorder, fan, mobile phone
